

S.NO:030

R.NO:LG03030

CERTIFICATE OF COMPLETION

THIS IS PRESENTED TO

Umer Durrani

In acknowledgment of finishing the **Full-Stack Web Development** course, which encompassed both front-end and back-end development with technologies such as **HTML5, CSS3, JavaScript, MySQL, Bootstrap 4, PHP, and others**. This course lasted for eight months, from May 15, 2024, to January 1, 2025. Throughout this period, the recipient completed over six real-world projects, showcasing their expertise in both development and design.
